WHAT CAN YOU DO ABOUT BULLYING?

Students

- Tell the person who is harassing you to STOP.
- Tell them how you FEEL.

If they bully you again:

- Tell a teacher exactly what happened.
- The teacher will help you. She/He will:
 - LISTEN TO YOU
 - HELP YOU MAKE A PLAN
 - GO WITH YOU WHEN YOU SPEAK TO THE HARASSER
 - TALK TO YOUR PARENTS/CAREGIVERS ABOUT IT TOO

If bullying keeps on happening:

Bullying is wrong. It happens to many children. It is not your fault. Telling someone that you are being bullied is not dobbing

KEEP ON TELLING UNTIL THE BULLYING STOPS!

BULLYING GRIEVANCE PROCEDURES

Parents

When bullying happens at school you need to talk to the school about it. Before you go to the school it is important to find out:

- What happened;
- Who was involved;
- When;
- Where;

Did anybody else see it, and, if so, who?

It is a good idea to write down what you find out.

Arrange a time to speak to a teacher.

If the problem is not resolved, let the teacher know you will be speaking to the Principal

Arrange a time to speak to the Principal.

If you are still dissatisfied, approach the Education Department

Staff

- The teacher arranges a time to speak to all the children concerned.
- If the problem seems to have been resolved, the teacher proactively monitors the behaviour for the next few days, checking with the children involved to ensure there has been no recurrence of the behaviour.
- If the problem is not resolved, the teacher will speak to the Principal and ask for their support in addressing the grievance.
- If the problem is ongoing, notify families.
- If the problem has still not been resolved, the Principal is to approach the Education Department

OUR SCHOOL APPROACH TO BULLYING

We listen and talk to the person who has been bullied and the person who has bullied others. We then use warnings, followed by firm graduated consequences.

1. Written and/or verbal apology with staff proactively monitoring ongoing behaviour.
2. Time Out with the Principal followed by Principal or nominated staff member proactively monitoring ongoing behaviour. Both Parents notified where necessary and encouraged to share in goal setting/action to rectify unacceptable behaviour.
3. Loss of Privileges.
4. Meeting with parents, student, teacher/ Principal.
5. Send home from school.
6. Suspension.
7. Exclusion.

It is important to note that these steps may change. At Lambert School we do not use a "one size fits all" approach. This is because each person is different and each incident of bullying is different.

RESTORATIVE JUSTICE

Where there's a conflict between students we get them together and ask a series of questions that are along these lines:

To the first affected person or people:

- What happened?
- What were you thinking at the time?
- Who has been affected by what you did and in what way?

To the second affected person or people:

- What did you think when this happened?
- What impact has this had on you or others?
- What has been the hardest thing for you?
- What do you think needs to happen to make things better?

Restorative Justice takes longer to work through than some of our more traditional practices - but our goal is to have the students back in class getting on together. We aim for making a deal between them about behaviour, with apologies and efforts to redress wrongs, with agreed consequences for breaking the deal.
