Gum Leaves Camp September 15-17

A Camp for Primary and Grade 7 Students

This is a happy time in which we enjoy each other's company, have lots of fun and learn many different things. The accommodation is very comfortable and the activities are happily anticipated by those who have been before. Cheryl, Bob and Steve will be looking after the students. All food and drink is supplied. Stephen is our cook and his meals are heartily enjoyed by all. Children should not bring any sweets, drinks, money, phones or electronic games.

Students will need to bring:

Sleeping Bag

Pillow

Hat

Coat

Warm Clothes

Comfortable Shoes

Change of Clothing and Underwear for 2 days.

Toilet essentials (towel, soap, toothbrush, hair brush etc.)

They may bring a soft toy, a camera, torch, card games, books etc.

Stephen should be notified of any medical requirements or special needs before the camp, no later than by end of Monday please.

The cost of the camp is \$120 and should be paid in advance.

Students should arrive at school at the normal time before camp (bus will leave at 9:15), and will be ready for collection on Friday September 17 at 1:00 pm. Please speak to Wilma about any issues which you might have regarding the trip.

Wilma Lambert

.....

Please tear off and return

I have received the Gumleaves Camp Notice.
